Have fun with friends, to help kids

It's not about bowling! Bowl for Kids' Sake is an annual fundraiser program for Big Brothers Big Sisters where you can be a bowler, a team captain, a sponsor, or all three. When you bowl for us, you get to enjoy a fun outing with friends, family, colleagues, your civic group or faith group, all while helping local children get the support they need through mentoring.

It's not the score that matters

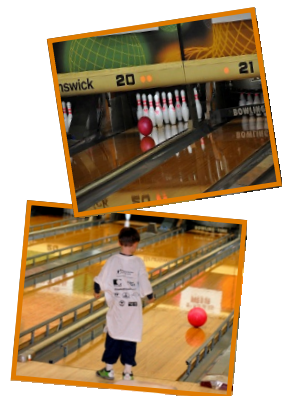

Bowl for Kids' Sake bowlers and sponsors are people just like you who want to give back to children right here at home in Orange County. It doesn't matter if you're a high-scoring winner or have never bowled before. All the money raised goes directly towards matching children in need with caring adult volunteers in our community, like YOU.

Through your volunteer service, **YOU** help us to make a difference in the life of your mentee. We are here to support **YOU** and engage more mentors like You in the lives of children. We can't do what we do without funding that comes from individuals donors, local fundraising and grants. Bowl For Kids is the signature event for Big Brothers Big Sisters across the country. We want and need **YOU** to be involved as an ambassador of our program and a participant in the day. *It's easy, fun and a great way to spend time and help a great cause.*
