

Menus for February 2012

Middletown School District Elementary Menu

This institution is an equal opportunity provider.

Chocolate is "chock-full" of antioxidants and other substances that are good for you. But all chocolate isn't created equal. Dark chocolate -- at least 65% cocoa -- delivers these health benefits efficiently. But the chocolate used for most candy is less than 30% cocoa with lots of added sugar, so you need to eat 2 or 3 times as much chocolate (and a lot more calories!) for the same benefits.

A TASTY MORSEL FOR PARENTS

Every complete meal we serve includes your choice of lowfat white or chocolate milk.

MAKE SOME TRACKS.

EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER.
WELLNESS IS A WAY OF LIFE!

Wed., February 1

Tossed Salad with Dressing
Orange

Cactus you can eat!

The pads of the prickly pear cactus, or "nopales" (pronounced no-PAH-lace) are a popular food in Mexico and many Central American countries, as well as parts of Southern Europe, the Middle East, India, North Africa, and the Southwest U.S. It tastes like a slightly tart green bean or green pepper.
