# Middletown High School College & Career Center

High School students faced with the task of deciding what to do after high school are often confused and overwhelmed. The College and Career Center at Middletown High School is a program that works closely with the Guidance Department to help students and their parents understand the admissions process, maximizing their chances of being accepted into the college of their choice and to set realistic goals for their future.

To make an appointment contact Lisa Parker at the College and Career Center or call (845) 326-1611.
