December 2, 2021

Dear Families/Guardians,

Twin Towers will be offering two new and exciting after school opportunities for our scholars. We are hoping that you will encourage your scholar to attend our Ready For Success Support programs. One program will support scholars who are in quarantine while the other is designed to assist scholars in person.

To support our **scholars who are in quarantine and feeling well** continue to learn and grow academically we have the following:

- Assignments are available through Google Classroom and scholars can work on assignments asynchronously
- Starting **Tuesday, December 7th, scholars in quarantine** will be able to receive one hour of extra academic support at the end of the school day through synchronous tutoring through Zoom. This will be available Monday through Thursday each week from 2:35 to 3:35.
 - Link: [After School - Quarantined Students](#)

For the **in-person scholars** who would need support, we will be offering tutoring in our library from 2:35 to 3:35. If in need of help with a concept, a lesson, a project or an assignment, teachers will be onsite to offer assistance and feedback.

- Starting **Tuesday, December 7th, 2:35 - 3:35**
- Scholars who are bussed will be able to take the after school bus home.

Please speak to your scholars about these possibilities. We look forward to working with you and supporting our scholars academically.

If you have any questions about these after school opportunities, please do not hesitate to call the counseling office at 845 326-1648.

Thank you,

Nicole Brookins, Interim Principal

Nicole Minton, Dean of Students

Fred Merritt, Dean of Student
