

Meal Distribution During School Closure

Middies Meals on the Move

The Middletown school district takes pride in its ability to provide our near-7,400 students nutritious meals at no charge on a daily basis. We understand the important role the district plays in providing vital daily nutrition to our students, and our Food and Nutrition Department is ensuring this continues.

Beginning, **Monday, March 16, 2020**, the following plan will be executed:

- We will be distributing two meals (*distributed at once*) to students 18-and-under
- Any student 18-and-under can go to any of the locations outlined below to receive meals
- Meal service will be distributed Monday-through-Friday during the length of the school closure
- Friday's meal distribution will include enough food for Saturday and Sunday
- All meals are offered at no cost to students 18-and-under
