The City of Middletown wants to Start Thinking About Tomorrow. Fill out your census forms!

“I hope this message finds you and your family well. In the coming weeks and months, our Nation, State and City will be faced with difficult challenges as we move forward and recover from the COVID-19 crisis. Critical funding for State programs is based on Census data, and due to COVID-19, these resources will be needed more than ever. This is extremely important for not only our City, schools, and healthcare providers, but for our families as well, and everyone must be counted. If we fail to count everyone, we will be shortchanged and the burden will shift to local tax payers. We need to start thinking about tomorrow today.”

Mayor Joseph M. DeStefano

City of Middletown
Middletown, NY 10940
