Seniors who are interested in parking on campus this year must attend one senior parking seminar with the Senior Class Cohort Principal and Middletown Police School Resource Officer Scialabba to discuss the importance of safe driving. The seminar will discuss the school expectations for students who drive and park on campus as well as what the requirements are in order to park on campus. The seminar will be offered twice and seniors only need to attend one of the sessions in order to be able to apply for a parking permit. Applications for a parking permit will be distributed at the end of the seminar. Students will be able to ask the School Resource Officer questions regarding safe driving.
