Notification of Exclusion Based on Immunization Status

Dear Parent/Guardian,

We have not received proof that your child has received the immunizations (shots) required by New York State Law Section 2164, to enter and attend school.

Unless you provide proof of immunization by September 18 your child can no longer attend school.

Proof of immunization can be:

- An immunization certificate signed or stamped by your health care practitioner
- A record issued by NYSIIS or CIR from NYC or an official immunization registry from another state or official record from a foreign country
- An electronic health record from your provider's office
- A blood test (titer) lab report that proves your child is immune to the diseases
- For varicella (chickenpox), a note from your health care provider (MD, NP, PA) which says your child had chickenpox.

If you do not have a health care provider or need help getting the immunizations, we can provide information from the local health department where your child can receive them.

Your child needs these immunizations to attend school

Immunization	Number of Doses Needed
Diphtheria/Tetanus/Pertussis (DTaP or Tdap)	
Polio	
Measles/Mumps/Rubella (MMR)	
Hepatitis B	
Varicella (Chickenpox)
