RE:     FLEX 125 PLAN

DATE:     November 13, 2014

The Middletown City School District’s Flexible Compensation Program’s Plan Year will end on 12/31/14. It is now time for all full-time employees to do three things:

1. If you contributed to a Health Care Flexible Spending Account, please be sure to use up your account balance. Claims for unreimbursed medical expenses incurred prior to 12/31/14 can be submitted up until 3/31/15. After that date, any amounts left in your account will be forfeited. If you want to check the status of your account, call Fitzharris Administrators at 1-800-321-1336.

2. Attached is an Election Form for the Plan Year 1/1/15 to 12/31/15. Now is the time to start thinking about medical, dental, vision care, etc., expenses you may have coming up which will not be reimbursed by your medical plans. The maximum annual deposit into your Flexible Spending Account cannot exceed $2,500.

3. Dependent Care Spending Account - Allows you to set aside before taxes, money from your earnings to pay for dependent care services (day care, baby-sitting, elder care) that are necessary so you (or, if married, you and your spouse), can go to work. Note that the Dependent Care Spending Account cannot be used to pay for your dependent’s health care expenses. You may elect to have salary reduction contributions, in an aggregate amount not to exceed $5,000 per plan year, or in the case of married participants filing separately, $2,500 per plan year.

Please return the election form to Linnette Chillino, Health Benefits Coordinator, at the Board Office by Friday, December 12, 2014. Election forms received after this date will NOT be accepted. Please contact Ms. Chillino at 326-1166 if you have any questions.

NOTE:  If you do not complete and return a new election form by Friday, December 12, 2014 your FLEX benefit coverage will end on December 31, 2014 and you will not be re-enrolled for the new 2015 calendar year.

GUIDELINES FOR SUBMISSION OF SECTION 125 CLAIMS

These guidelines are intended to aid you in filing claims though Section 125 Plan for reimbursement. They will assist you in receiving a quick reimbursement and avoiding an unnecessary returns or requests. They are as follow:

Necessary items to include in your packet of Section 125:

1. Fully completed claim form (health or dependent care reimbursement form). These can be obtained through your department of human resources or by calling our office at (516) 777-4800.

2. Explanation of benefits from either your medical or dental insurance. This is the paper that is attached to your insurance payment. This can also be obtained from your individual medical or dental care giver. Most medical and dental insurance will send you and your primary care provider a copy of the benefits. The E.O.B. contains all the information needed to process your out of pocket expenses (i.e.: name of patient, date of service, name of doctor). If your insurance does not cover a particular procedure or the fee has been applied to your deductible, we must have the denial or the statement stating such facts (an itemized bill stating these facts is NOT ACCEPTABLE). If you do not have or cannot obtain an E.O.B. for co payments reimbursement, then you must submit the following:

A. An itemized bill from the primary care provider giving details of all services that were rendered to total the amount being submitted in for reimbursement. This bill must list the dates of services, the procedures performed, names of patient, name of doctor AND any insurance payments that were made on the account. Without this information, an itemized bill is NOT ACCEPTABLE. “Balance Forward” and “Previous Balance” statements are NOT ACCEPTABLE. If you DO NOT have insurance, this also must be stated on the itemized bill.

B. Written receipts from a doctor’s office are acceptable as long as the actual date of service (not the date you paid), the name of the patient and the name of the doctor is clearly printed on the receipt. These receipts can only be the usual co payment amount that you would normally pay for your visit (e.g.: $10, $15, or $20). If it is an out of the norm amount, then either an itemized bill or an E.O.B. is necessary to ensure reimbursement.

Cancelled checks are also NOT ACCEPTABLE; they do not specify the information needed to properly process your claim.

Predeterminations of Benefits are NOT ACCEPTABLE for reimbursement under the Flexible spending account program. A predetermination of benefits is an estimate of payment prior to services
being performed. Reimbursement can only be given for date of services that were actually performed.

C. Prescription: If you are submitting receipts for pharmacy co-pays, please send in the pharmacy receipts that you receive attached to the prescription. These receipts detail the name of patient, date when the prescription was filled; co-payment amount and prescription number that we need to process the claim. Register receipts are only acceptable for the purchase of over the counter drugs. The cash register receipt must have the name of the OTC drug and the date of service along with the physician prescription. If you cannot collect all these receipts or you may not have saved them, your pharmacist can print out a list of your entire family’s history of prescriptions for that particular year. Privacy may be a concern; therefore, you may block out any names for medication to ensure your privacy.

Sending a complete and clearly legible claim to our office will ensure a quick reimbursement. As always, we are happy to assist you in any matters or concerns that you may have. Please contact us at 516 777-4800.
Eligible Health Care Expenses- See IRS Publication 502

Eligible medical care expenses include amounts paid for the diagnosis, cure, mitigation, treatment or prevention of disease, and for treatments affecting any part or function of the body. The expenses must be primarily to alleviate or prevent a physical or mental defect or illness. Expenses for solely cosmetic reasons generally are not expenses for medical care and may not be eligible. Expenses that are merely beneficial to one’s general health are not expenses for medical care. In some cases, you may be asked to provide a letter of medical necessity from your attending physician to substantiate your claim.

This list has been compiled for the convenience of our clients and participants and is designed to provide a general overview. Readers are cautioned to review their own employer-sponsored benefit plan descriptions and enrollment material for specific information or to consult with their employer or personal tax advisor as necessary.
